In 28/9/32 30

The preliminary notice issued in the case no L-377 of 13/7/32 mentioned differences in regard to the extent required to be acquired in each survey number. Now it is stated that an extent 12 feet wide is enough for the conservancy lane & this is mentioned in the final notice. Now proposed to be issued. This width is the same as that proposed in the cases and is no in the preliminary notice less than those proposed in the case of others.

For opinion whether any objection to issue the notice proposed, in views the difference pointed out above.
